**Summary**

I'm a well-rounded videographer, editor, and photographer who works well in teams and independently. My experience varies from working in fast-paced environments demanding strong organizational, technical, and interpersonal skills, to corporate environments requiring creative thinking, dependable behavior, and poised interactions with individuals at all levels. I'm detail oriented and able to multi-task effectively.

**Experience**

**Seattle Seahawks [NFL] & Sounders FC [MLS]:**

Digital Media Intern [6/13 - 6/14]

- Filmed live events, interviews, and studio setups.
- Captured, logged, and archived footage.
- Edited short and long format segments for Seahawks and SoundersFC.com on a **daily** basis (Premiere / FCP).
- Created motion graphics (After Effects) for ongoing daily segments
- Deployed content to NFL and MLS (Drupal, Sitecore, Castfire) CMS.
- Assisted in game day production.
- Operated live switcher (BlackMagic).
- Worked with internal departments (Public Relations, Community Outreach, Fan Development and Marketing) in fulfilling digital media needs as requested.
